## OAKLAND COUNTY RESOLUTION REGARDING VACCINE PASSPORTS WITHIN THE BOUNDARIES OF OAKLAND COUNTY

WHEREAS, Medical records and information are private and fall under HIPAA protections; and

WHEREAS, individual COVID-19 vaccination records are private health information which should not be shared by mandate; and

WHEREAS, so-called COVID-19 vaccine passports reduce individual freedom and will harm patient privacy; and

WHEREAS, All currently available COVID-19 vaccines are not FDA approved and considered experimental, and therefore must remain voluntary under the Nuremberg Trial Codes; and

WHEREAS, Oakland County Department of Public Health seeks to ensure that every resident in Oakland County who desires a COVID-19 vaccine can obtain one, but such vaccines are not mandated; and

WHEREAS, no COVID-19 vaccine is required by law; and

WHEREAS, Oakland County Department of Public Health and MDHHS acknowledges there are many instances where an individual, along with their doctor, decide that being vaccinated may be unsafe; and

WHEREAS, requiring so-called COVID-19 vaccine passports for taking part in everyday life- such as, but not limited to, attending a sporting event, patronizing a restaurant, or going to a movie theater would create two classes of citizens based on vaccination; and

WHEREAS, The State of Michigan allows for medical, religious, and philosophical exemptions from vaccines; and

WHEREAS, Vaccine passports do not take into consideration the large number of citizens who have contracted and recovered from COVID-19 and are therefore naturally immune; and

WHEREAS, The CDC, MDHHS, and the Oakland County Department of Public Health acknowledge that it is possible for vaccinated individuals to contract and spread COVID-19; and

WHEREAS, Because vaccinated individuals could be able to contract and spread COVID-19, a space where only vaccinated individuals are present holds the same risk as a space where individuals are both vaccinated and unvaccinated; and

WHEREAS, Vaccine passports are thus highly discriminatory with no proven benefit to society; and

WHEREAS, it is necessary to protect the fundamental rights and privacies of the residents of Oakland County and the free flow of commerce.

NOW THEREFORE,

BE IT RESOLVED THAT: Oakland County does not support, endorse or enforce mandatory vaccines or vaccine passports in government buildings, public spaces, businesses or places of employment.

BE IT FURTHER RESOLVED: That a copy of this Resolution be sent to Governor Whitmer, Senator Jon Bumstead, Representative Terry Sabo, Representative Greg VanWoerkom, the Michigan Senate, the Michigan House of Representatives, Michigan Association of Counties and to the Clerk of each County in the State of Michigan.
