

Hello,

I wanted to get this information to you. You are invited by Mike Lindell to a "Symposium" regarding the fraud in our elections. He has offered 5 Million Dollars for anyone to disprove his evidence. As a state legislator in MI will you go as it is your responsibility to make sure your contentions are proven whether right or wrong regarding this election...DO YOU REALLY CARE??? This is your chance to see where you stand as the voters are watching.

Thank you,

YOUR NAME

### **CYBER SYMPOSIUM - INFORMATION SHEET**

**WHERE-** Alliance- South Dakota Military Heritage Alliance Center

1600 W. Russell St, Sioux Falls, SD 57104

**WHEN-** Tues August 10 through Thurs Aug 12<sup>th</sup>; Doors open 8am/close 6pm. Program runs from 9am to 5pm. Mike Lindell is hosting the event, there is no event fee for attendees. Complimentary food/beverage will be catered throughout the day. You may attend part or all of the 3-day symposium. *\*Please let us know which date or dates you plan to attend when you RSVP\**

**WHO-** This is an INVITATION-ONLY event. Every attendee, including their guests, must register and receive an individual confirmation number and be on the REGISTRATION LIST. Everyone will be required to go through security for admittance. Credentials will be picked up at the registration table.

Invitees include Governors, US Senators, Lt Governors, Attorneys General, State Representatives, Secretaries of State, State Auditors, and State Election Commission Officials for both parties and all states in the United States; Cyber Experts; and Media Representatives. Any Cyber Experts must have, at a minimum, CISSP credentials.

**WHY-** This is an important event during which the cyber data (the actual packet captures) from the November 2020 election will be revealed . There will be presentations by Cyber Experts and other leaders. Panel discussions. Breakout rooms to look at election-specific data for individual states, right down to the county & precinct level. Mock elections with actual voting machines. Unveiling of a

replacement election system. Cyber Experts will be available for questions throughout the symposium. It will be interactive in nature, and you will be free to move between rooms and presentations at any time. Additional speakers will be announced on [frankspeech.com](http://frankspeech.com) as they are confirmed.

**HOTEL/TRAVEL-** Hotel and travel arrangements and costs are the responsibility of the attendee. The following nearby hotels have reserved blocks for Cyber Symposium attendees:
