

MAKE MICHIGAN A PRO-LIFE STATE!

We are at a ***“Tipping Point”*** moment to end abortion in Michigan. We will ***always honor the many ministries in MI and the nation*** who are in this fight. We must ***“UNIFY”*** as never before. Below is an aggressive ***PLAN*** that could be initiated to add to all of the great strategies presently at work.

I am thankful for the connection with Dr. Alveda King and Abby Johnson. The publication you have in your hands is a result of a six-month process. Dr. King and Abby Johnson indicated they will give content as long as there’s no compromise. This publication honors their request.

*“A good plan violently executed now is better than a perfect plan executed next week.”
General George Patton*

“Silence in the face of evil is evil itself.” Dietrich Bonhoeffer

“And he called his ten servants, and delivered them ten pounds, and said unto them, ‘Occupy (take the offensive) until I come.’” (Luke 19:13)

“My people perish for lack of knowledge.” (Hosea 4:6)

THE SANCTITY OF LIFE PLAN

1. Please utilize this publication and distribute it to your sphere of influence. This includes friends, family, children, grandchildren, nephews, nieces, and those you may encounter on a daily basis. The younger generation especially must be given this knowledge as so many are deceived into having an abortion because of peer pressure, social media, and the lies of Planned Parenthood.

NOTE: We are giving these away ***free...no charge to you***. We have originally printed 15,000 copies. Our cost is \$2.20 per copy. We really believe many reprints will follow and I ask you to agree with me in prayer for some ***large donors to step forward***. All funds will be used for reprints and distribution costs. No funds are used for salaries and paid staff. A downloadable PDF is prepared – email me at **rw247365@gmail.com**. Review this first printing - I am always open to suggestions for improvement before the next printing.

2. What if we could engage all Christian Pro-Life ministries to distribute this publication to their spheres of influence? What about Right to Life Michigan chapters, Protect Life MI, Susan B Anthony, Student Statesmanship (SSI) in MI, Pregnancy Centers and other life organizations, and TPUSA? Can you imagine the thousands upon thousands that could be reached in a short time before the 2026 election in Michigan? Is one saved baby worth it?
3. All legislators and those running for office must be given this publication to call them into account regarding their stance on life in the womb. We are planning to deliver them to every legislator's office in Michigan.
4. What about Republican women groups in our state, Lincoln Day dinners, Christian Patriot groups, Freedom Circles, NDP gatherings, and talk shows?
5. Thousands could be passed out on university campuses by individuals such as you and I. We can activate Christian campus groups to be our circuit riders with the truth regarding the **"voice no one hears"**.
6. These will be distributed for free at all Christian conferences we are invited to be a part of and we will see a spontaneous combustion multiplication that will trickle through our culture, turning MI into a LIFE state.
7. What about upcoming fall/winter festivals for distribution?
8. What about door-to-door distribution before the next election in 2026? It just takes of remnant few who have a heart for the unborn.
9. What about pastors and leadership in churches throughout the state of Michigan receiving this publication? Why shouldn't the congregants be given copies? Could you be the circuit rider in your church?
10. What about youth groups in churches? Many young people are so vulnerable at this age.

*"Where there is no vision, the people perish: but he that keeps the law, happy is he."
(Proverbs 29:18)*

(See Page 87 in book to see how you can help!)

CHALLENGE: Can pro-life individuals and life groups join together in unity, where no one receives credit? What is the cost of one saved unborn child?
