Declare over Michigan!

Themes for Michigan this year:

Throwing down Jezebel

Casting out demons

COREY SHANKELTON

MARK GURLEY

You're going to see healing. "It's" going to hit the fan; we're in the cleaning and restoration business. Manure makes things grow well! An emphasis on the prophetic and the healing. A word of knowledge to someone can get them to a place that God cares about me. I'm expecting 2023 to be a great year.

We are going to start seeing the answers to our prayers. Be at peace. Be healed. Be restored. You have to be positioned to be used. Be open and to being used.

RICK

Working on getting Sean Feucht to come to MI.

Disturbed that WEF coming to MI. A showdown with Jezebel, Elijah and the prophets of Baal. Jeff Roe said this could be the word by Gina Gholston,

RICK

Are we being called to be that altar? [The Mt. Carmel showdown] We are a radical minority

12:22 [Get vision from Rick] heavy travailing prayer.

Thank you God for this assemblance of this RADICAL MINORITY here today. Speak to them today. We want our state back, we want our nation back. God give us YOUR strategies.

RICK

Focus on heaven. See a bowl of revelation spilling out into this room. Father I ask revelation for everyone in this room. Let's move in one accord so God can deliver what we need to hear.

God give us the proclamations to take down the evil in this state. We speak life.

Achilles heel — what is the Achilles heel of Whitmer, Benson, and Nessel? There is an Achilles heel of swat teams to take them down and to bring forth what the prophets have spoken. Lord give us the Achilles heel.

RICK

Lord of the Rings. Guy who had a quiver, would pull out arrows and they would shoot, shoot, shoot. And a tip of the spear, a tip of the spear is being formed here today because of being in unity and one accord.

Three hundred — the enemy was marching but they were shooting arrows. Give us a spear to know strategically how and where to use it. See the bowl of heaven tipping as we sing.

RICK

Contacted by Matt & Meshawn Maddock. They are forming a freedom caucus in our state. There is a minority of good representatives. Rick told them we can be their prayer partners. We have to identify this minority to throw down Jezebel. Christian legislators also have been captured by that spirit. There has to be an awakening.

PATTI MORRIS

I saw a lit path sprinkled with the blood. The blood is going before us directed by the spirit.

RICK

Declare something over Michigan! [Everyone made declarations]

COREY SHANKELTON

Read from Isaiah 28

There is a fundamental that is coming to the Body of Christ we have to have. All of what we are seeing in society flows from us. Either we are through Christ the fountainhead of culture or we are not.

Isaiah 28:9-10

“Whom will he teach knowledge?

And whom will he make to understand the message?

Those *just* weaned from milk?

Those *just* drawn from the breasts?

<sup>10</sup>For precept *must be* upon precept, precept upon precept,

Line upon line, line upon line,

Here a little, there a little.”

Give rest to the weary...

I’ve been in the church a long time and I’ve heard that scripture quoted. That is how God builds the church

Let's keep reading

Here is their repose. They would not listen.

“to whom will they interpret the message...give rest that they may go...and taken into captivity.

The Lord doesn't build by giving us a little here and a little there in our intellect. He says, “hear the word of the Lord. O scoffers

Who are in Jerusalem, because you have made covenant w death, for we have made falsehood our refuge...therefore the Lord God says, Behold I am laying in Zion, a stone, a tested stone...

This is important because we are going out and trying to take the enemy's stones when we have yet to fully receive our own.

There is a stone that has yet to be cut by the hand of God and it appears to be small but it is growing in stature and will ultimately overtake every other mountain. And we're trying to go into their mountain and take their mountain and that's not the way it works. It actually says, “Out of Zion will come a rod of authority.”

And we have to abide in one stone, in one mountain. And He says, Behold, I am laying a stone in Zion, a tested stone, a costly cornerstone for the foundation firmly placed, and he who believes in it will not be destructed. I will make justice the measuring line and justice...[rest of scripture]

It will pass through!

And it will be sheer terror to understand what it means.

Lord we need that sheer terror. We need that fear of the Lord anyplace where we are not engaged in righteousness. We say Jezebel but really we mean unrighteousness, iniquity. And he says, if you do not receive this stone, and when this happens....I am bringing you into Me.

But those who have lined up with this other way of thinking I'm going to deal with them. Listen, the beds are going to be too short for them to lie down in; too small for them to ?? themselves up.

For the Lord will raise up on mount Perazim. He will be stirred up as in the valley of Gideon to do His task, His unusual task, and to work His work, His extraordinary work, and now do not carry on you scoffers lest your fetters? Made stronger.

The Lord is calling us to forsake other foundations.

I will make no other claim on you.

There is a nature inside us to not be tolerant of Jezebel.

ROSEMARIE WRIGHT

In worship, what I saw I saw something for the first time. I saw because the altar of God is being established, it has been...on the fire of the altar. God has a Trojan horse and it is these teams. We are the Trojan Horse. We are the radical remnant. I saw an eagle on the move, I saw...this means the prophetic is active, activated and an alive. It is time for the voice of the prophet to go. I saw the talons of this eagle literally lift up the top of the Capitol dome and it lifted it up. And all those idolatrous and demonic structures represented by the various gods and goddesses began to come off the walls. We have been praying this for years.

They became ashes due to the burning fire of the Holy Spirit and His burning ones. All that was left was ash and empty walls and panels. The house is clean. The house is being cleaned. Those roman Greek structures that have held our Capitol in bondage and slavery is coming off. The King is coming. His kingdom is coming and will be established, and this house, His house the gates and doors are open to the King and His kingdom and shifting is happening. But The Lord said, Keep fighting and keep roaring and replace Me with all those empty panels and empty places because I am your wall of deliverance and high tower. Run into it.

I keep hearing covenant, covenant. Michigan is in covenant. God is in covenant.  
Ex 19:4 You have seen what I did to the Egyptians, and *how* I bore you on eagles' wings and brought you to Myself. Now therefore you will obey my voice and keep my covenant...these are the words you will speak to the children of Israel.

It's time. The time is now. The time is right.

I saw the blood is on the pathway. There is a new path forming to bring Jesus Christ and His presence...and all those structures, finally they are all going be off those walls and that Roman structure that has held this state and this nation it's going to be God's the Trojan horse.

RICK

Write down some proclamation prophecies over Michigan and we will create a prophetic declaration of our voices today. All of you can prophesy. Prophecy over this state.

ANITA CHRISTOPHER

I saw also the path while we were in worship, but in the path was a huge boulder. The Lord is giving us a quiver of arrows. Strategies and plans how to go around, or go through, or go over the path. And he has also given us

Habakkuk 3:19 The Lord God is my strength;  
He will make my feet like deer's feet,  
And He will make me walk on mountain heights.

That speaks to me as a Caleb. God is giving strength to those who are older, to us who are older. He is giving us strength and zeal. It's not being taken away He is giving us more. He is

and we will be able to walk in the heights. Like the sheep in Alaska. They were walking in the high places. We are being given strength.

RICK

I believe we are being given an access into the Capitol through teams, through Patti where instead of a Trojan horse there is going to be a cross that looks like a Trojan horse, but inside we are going to reel it in and all of a sudden we are released into the hallways.

MELISSA

I hit 46 counties a year ago. I had a vision a couple months ago. In my vision I was running for president. I was arguing with the person that telling me I need to run. I said no I can't do this. They said God will give you the answer. Then it went on further and they said, Now I need to address the Congress. I'm arguing with them again saying I can't do this. I said what am I going to give them. They said I want you to give them the word of the Lord.

The Lord has already given you the message. Just open your mouth like you usually do and it will come out.

So I get up, at the Congress building where you stand to speak. I as up there and I looked out and half of the room was shrunken down to 150 congress people. What happened to the rest of them of the 105? There were 105 people that were missing – their desks were missing, the ?? for it were missing. The room was shrunken in half. There should be about 500. What happened to the people? "We don't need them anymore." This was before Brunson brothers, the Trumpeteers, came up with their case in the Supreme Court going on today. I saw on the list that's about 100 and some people that are going to be removed from Congress.

Then last week I come across a vision – the Lord woke me up. People being ushered out of leadership because they would not listen to people crying out with the truth. There was a big room and there was a lady telling a testimony about what was going on and the person in the leader was being a bully to her [the person giving the testimony], asking questions to her, she was trying to tell the truth about the testimony and In my vision I'm sitting over there; I'm thinking they can't do that. You can't treat that person like this. She's trying to tell the truth about what's happened. And I was being told to shut up, don't talk. And I stood up and I said, "We all need to be bold and take our place." And I'm like okay Lord, this is a really crazy dream.

I saw all the leaders suddenly being removed from their position because they were treating the victims as suspects and the team members, all of a sudden I stood up and said, "You have to shut up and you can't ask her anymore questions because you're not listening to these people."

So I turned around and they said, "You can't do anything, you don't have power." And I said, "We do." When I turned around and behind me a whole bunch of people on our team stood up and said, "You are to be removed." So when the leaders were removed, the people that were being questioned were free to tell their story and the truth.

The team all took their place. That's what I'm saying. We are team and we know that things are about ready to happen as we speak.

RICK

The righteous are as bold as a lion. Acts 5. We're going to face a lot of opposition from this radical minority but we must press forward.

BARBARA FOX

Is 55 So shall My word be that goes forth from My mouth;  
It shall not return to Me void,  
But it shall accomplish what I please,  
And it shall prosper *in the thing* for which I sent it.

I was overwhelmed with the power of imprecatory prayer. Psalm 149  
I'm thinking these are the arrows coming out of the quiver that will stealthily break down and be the Achilles heel of the people in power. Hitting the target.

Psalm 149:5-9

Let the saints be joyful in glory;  
Let them sing aloud on their beds.  
<sup>6</sup>Let the high praises of God *be* in their mouth,  
And a two-edged sword in their hand,  
<sup>7</sup>To execute vengeance on the nations,  
And punishments on the peoples;  
<sup>8</sup>To bind their kings with chains,  
And their nobles with fetters of iron;  
<sup>9</sup>To execute on them the written judgment—  
This honor have all His saints.

To carry out the sentence written against them. The sentence is already written in our scriptures. God has written their sentence and they have fallen short. This is the glory of all His saints.

Our arrows are his word, and we pull it out of our quivers, and as we go up that blood-stained path we are going to use our imprecatory prayers and carry out the sentence, and enforce what God has already written in his word.

LINA ST. GEORGE

I declare righteousness will absolve this nation. The joy of Yeshua shall be our strength and that holiness will be here and all over the USA. Last week the Lord put in my heart to pray in the Spirit over the whole United States. I pray five minutes in the Spirit for all the states.

I made a puzzle of the United States. I want to be holy as He is holy.

He says, Behold says the Lord, delight for everyone to see me, I am with you and you always. Be ready, I am coming soon. Tell others about me so they may be ready. I want no one to perish but that they be with Me. I shed my blood for all of their sins. I want everyone to have eternal life. I am the Master. Do the work I have for you. Enjoy Me. Obey Me. Work with Me. Time is running out. Delight the soul. Make everyone thirsty. Live your life circumspectly. Rescue those who are about to perish. Restore in the spirit of meekness those who are not walking with me. I love you all. I laid my life for you.

You are my precious jewel, my treasure, my bride. I am coming for a bride without spot or wrinkle. I send you. I anoint you. I empower you.

Listen. Obey. Do the work of the kingdom. Do not compromise my commands, my statutes.

Jeremiah 6:16 "Stand in the ways and see,  
And ask for the old paths, where the good way *is*,  
And walk in it;  
Then you will find rest for your souls.

I met a lady, I moved from NY to Illinois. My brother is far away. Send me someone to help. He provided. We became like mother and daughter. My mother used to tell me they used to sing Onward Christian Soldiers.

I declare, that in every classroom in all the states, in every classroom there will be a Bible, we had to meditate and practice. We will start with prayer and the pledge of allegiance and every room will have the Ten Commandments.

RICK

She said pray in the Spirit for five minutes. Get a map of MI. Clutch it. Consider doing this every day and do a walk with a map based on what was formed here today, and pray in the Spirit. If we all do this in this room and do this on the call when we get this revelation out we will transform the state. Get a state map and walk and pray. Then when we send strike teams into the halls we will have that map.

PJ SMITH

Lina gave a beauty description of the beauty of our salvation in Christ. The Lord gave me two words in the past few weeks.

First word is salvation. Nearly 400K vehicles were totaled during hurricane Ian and many have arrived at Pacific Motors in Detroit to be salvaged for parts. Salvaged from Latin means "to save."

Satan is trying to bring wickedness to MI through the WEF and the Chinese battery company but God is announcing He is bringing salvation; He has the upper hand. So we declare salvation

is coming despite the evil attempts of the enemy and we are calling for salvation, we are broadcasting salvation, and we are receiving salvation. Salvation is coming to Michigan.

In the last few weeks He said “Expansion.” This past year I’ve been dreaming the same kind of dream, probably dozens of times with the same theme. An ordinary house, but each is different. I go in the entrance. The house is small on the outside, but looks much bigger than on the outside. We are temple of Holy Spirit and we are like a house. We in here we are a house for HIM.

He is building and working on us It never stops. I go in these houses, in the last dream, I went in the side door in the kitchen area and it’s way bigger than my childhood. I turn a look around and I see the staircase to the basement has expanded, it’s more like a ramp, it’s massive.

I’m in awe looking at this room and there are three sets of furniture from the era when I grew up and it’s all in good shape, furniture is covered with throws, but it’s all been preserved for such a time as this. I look up and there is a building project going on and there are windows on the basement level with light coming in. I’m in awe of this. There is construction going on way, way up onto the upper level and beyond the second level.

It’s expanded out in a way you would least expect it. I walk in and there are stairways going to a third level. It’s expanding; there’s light, window, the house is two to three times larger on the inside than the outside.

The Lord said, “There is expansion going on and it’s from the inside out.”

Prayer of Jabez. He wanted his territory to be expanded. He wanted to stretch his tent pegs. This is a whole different thing. When we think of expansion we think our opportunities are expanding, my things, my wealth, my money, people that I know, that’s all expanding, a new title or new prestige.

He showed me we are expanding from the inside out each one of you. He is working on you as His place that He dwells and he is pushing out walls that you didn’t know could be pushed out and he is raising up levels – that new higher level bypassed the old way to get to the second floor. It went a new way - *up* to the highest place. Light is coming in everywhere.

Expansion from the inside out and there is – the kingdom of God is within you. We’re all average human beings but when you get inside, where the Holy Spirit is inside He is working and doing things and that kingdom of God is so much bigger than we are. We are to behold the kingdom of God within us.

He is expanding beyond our normal boundaries within us. He’s developing each and every one of us and He’s doing it fast.

JEFF ROE

PJ was talking about expanding and she brought up Jabez. What did Jabez say in his prayer? Lord expand my borders. When she was speaking I thought, this reminds me of the prayer of Jabez, and then she said, the prayer of Jabez. So I'm thinking the prayer of Jabez is a template for the Ekklesia to bring the kingdom of God into the earth. In Jabez's case he was praying for himself. But it is a prophetic prayer we are to apply to the body of Christ, to the Ekklesia so the kingdom of God can come forth. I'm confirming what PJ saw. The same word came to me before she spoke it. Thank you Jesus for the confirmation.

LEE WILLIAMS

When I first walked in today, God gave me this word some time ago. This year and beyond is going to be intense. Intense warfare, intensity of our commitment, of our work, but also God says it is going to be very exciting. Don't lose your excitement. God will??? in our spirit. The joy of the Lord is our strength. God said, don't be fooled, or taken over by circumstances and situations.

All these things must come to pass. Even betrayal must come to pass. Judas betrayed me. Betrayal will come. There are those who will leave you. But they leave to show you who belongs to you and you will not be confused about what is going on. Keep your mind on what God has said.

Hold fast to the proclamations from the prophets. I'm watching over My word to perform it. Not over my circumstances. God says declare y word, speak my word, hold on to the excitement. God says Python has been judged in this state. I asked God, what runs this world? He said, Mammon. He said, Python is a spirit of divination that imitates God, and Python, he has the money, money to promote. That's what keeps people going, they're greedy, they will betray their own mama for money. God says I am judging python and I'm bringing down...it's money, it's greed, and I'm bringing down, and God says they're going to be exposed, and they are going to be left in the streets, crying and bawling, snot-nosed bawling because their kingdom and their throne has fallen to the ground and their hopes and dreams are going to be dashed. And my Ekklesia will rise up. He says, Stay excited!

RICK: We're not going to let betrayals set us back. I was meeting with Matt & Meshawn Maddock – we talked about betrayal. It's rampant in politics. We're not going to let that deter us in politics.

PEGGY WITTMAN

IS 43:18-19 Do not remember the former things,  
Nor consider the things of old.  
Behold, I will do a new thing,  
Now it shall spring forth;  
Shall you not know it?

Communication to all levels of government, God is moving and will no longer tolerate rejection in the realm of government.

Who will He send? Here I am Lord, send me. I'm a change agent. This is God speaking, Who are MY agents of my change? Where are MY agents of change. Who can I send? He will say to me, Yes, Lord send me. Instead of me, or us trying to push our way into this new group, instead of me trying to push my way into this new group. The God-ordained leadership is required to pull into the group those who He raising up. From the bottom up. From the bottom up. Where we are weak He is strong.

We are to draw them in. I'm done with the training He's been putting me through in the last 18 months. Now I am being sent out.

39:19

JANICE ??

You had spoken, "Speak the words of life" and I had just written that down prior to you speaking that. But the Lord has put this on my heart for young people. To come against the spirit of suicide in Michigan over the young people. That they've been seduced by thinking, well that it's going to be a cool thing to do or it's going to be okay if you do this. And so we really move to break and bind the spirit of suicide over the young people in Michigan.

So Father, in the name of Jesus, save these precious young people. We break and bind the powers of deception over their lives. And we say, "Satan you cannot steal the destiny that God has for their lives in Jesus' name. We cover them with the precious blood of Jesus. We cover their minds Father with the precious blood of Jesus. Let them know they are loved by you, accepted by you, forgiven by you when they ask Father God. Show them. Show them. Show them." Put ?? of love in their pathway. Let them be all you created them to be in Jesus' name. We speak life. Amen!

BOBBI HOLMES

By bringing us all together...the first thing God told me is, great increase in spiritual vision to all. A lot of people think it's just for some, but it's for all. It's also going to be a greater measure of unity in our vision. He's saying, One heart. One mind. One voice.

Then He said, He is doing a mighty work in Michigan; that's why we are being attacked because there is a war going on in the second heavens. Hold fast because Yahweh is there.

And then Rick says, "There is a strike force." He talked about the first, second and third heaven.

The Lord said, there is going to be an increase in the heavenly tongue. Don't be afraid of it. New words will be given you. And then there is all of this, praying over Michigan, and praying in a heavenly language. So I am here to tell you there is so much great stuff going on in Michigan, which is why everything looks bad because there is so much breakthrough we can't see in our

human eye. And I am telling you it is fantastic. And as they were saying, it is going to be rough year, but where that is is the spiritual growth. I'm telling you I am excited.

And when we take communion today, there's a lot of stuff...there's things that go on, but we forgive because He first forgave us. We are cleaning our slate and we are going out there. Hallelujah!

RICK

Remember the words that were given. We prophecy over Michigan. You touch that map. Pray in the spirit, begin to declare and prophecy as you walk. If everybody is doing this five minutes a day the bowls fill up and what Bobbi said will manifest.

WILLIE LOGGIS

This is the day the Lord has made. We will rejoice and be glad in it.

Chronicles 7:14 if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

I think the problems we have not just in Michigan but in this state and in this world, and throughout the world is we have lots of stuff going on that God is not pleased with. God wants us to humbly individually, corporately, naturally, cities, state, the United States and the world. We know Michigan's got problems and other states have got even greater problems.

So we want to put God into everything that we do...that we understand what He wants. God is doing, God is doing this for a reason. This has been going on for years. So God wants us to come back to Him, come back and pray and we will see the change come in in our state, in our leaders, in our community, in our government — God will change things.

We can dance, we can walk, we can ????. Prayer! Prayer start in and prayer take it out. He wants to see us unified. He wants our children, like you all were saying, our youth, our kids. Look at all the stuff happening in our schools. Our kids are being depressed, oppressed, and also they are committing suicide. You know who they are looking up to? They are looking at us. You, parents to set the example in their home. We've got to start in our home. Our kids are our future — we may be off the scene, but our kids are our future and we have to do what's right.

RICK: We want to set up a biblical worldview zoom call to train young people up because the schools aren't doing it. So this is part of our plan to have actual classes, where leaders will teach, parents, we have a lot of home school parents because of what's going on, so we are going to reach out to them as part of another strike force to bring back our youth.

DAN GOUCHER

So as a young man I heard a prophet say, we had a rebellion going on, we called them hippies. Following on the word of my brother, do we hear this? Is this the word of the Lord? So we

agree. Father we are wanting to be in agreement about our repentance on behalf of, because we are intercessors, so Father grant us your heart for our children. Amen. Amen.

RICK: My daughter-in-law who would never think of homeschooling is now homeschooling. She's not giving them [the children] over to the system.

DR. FADWA GILLANDERS, holistic clinical pharmacist

As a matter of fact speaking of children, this has been my mission for this year. I'm doing a class next week on healing our kids from the inside out. It's going to be pretty fantastic and the Lord just brought that out. I will have it on Zoom. Please join. I'm doing a series for our kiddos because enough is enough. They are still hurting. I didn't mean to announce that, but because you said it I wanted you to know.

I just wanted to affirm all the other prophetic word, the Lord said to me, I have given you the bread of mercy and morsels of mercy along the path. He said, The door is not closed yet. Everything you see is smoke and mirrors. There are still layers upon layers of love that is still alive. We are the lighthouse state. We were once dark but are lighting the path for the salvation of America.

JOSEPH FOX

Three things coming at me over the last couple weeks. I just finished reading Eric Metaxas' book, Letter to the America, and how we are parallel to pre-WWII Germany.

1. We need to confess and repent and I encourage all of our pastors to go to our churches and shout that out loud.
2. Out of western Michigan, there are coming some powerful movements. Last night in the Newaygo County GOP, they put forth a resolution repudiating the Proposal 3 resolution and this is going to leaders all over the state. Another resolution about swearing an oath to the Constitution in the state of Michigan that has this wicked Proposal 3. Muskegon County and Newaygo County are both doing these things and I'm going to be sharing it with other counties too.
3. The comments about atoning the spirit of Jezebel; this came to me just today. He and his wife were missionaries in the Philippines, they saw the enthronement of a god there and we had to learn how to un-enthroned Jezebel. We had to do some burning, a lot praying and we had to burn something the god was attached to. I think that is a word for us today —we need to tear down, burn down the throne of Jezebel.

RICK: In your personal prayer closet ask, "Ask the Lord how do we dethrone Jezebel?"

LANA: My email is Lana11@me.com

KEN BELIOS lead Communion

MARK GURLEY

We have believed that this has already occurred in the heavenlies. I saw a prayer line like the electric fence thing and the last person getting it. Everybody between can get some of that but this is a prayer of agreement. Link our faith together and all of you who need healing in their body will get it. And yes you can stand in the gap for someone.

Heavenly Father, we thank you that you have shown me this laying on of hands electric fence grabbing deal. We know the law of the anointing means the power is already here within us. So as we tap the source of heaven within us, we now agree in faith we have believed that healing will flow through this line and those who need healing in their bodies will get it NOW! You should feel it running through your hands. Feel the power of God through your hands. Let it manifest because the power is already there. We declare healing in Jesus' name. Sickness you have to go. We bind you. You are forbidden in heaven we now forbid it here. Thank you Jesus!

JONATHAN ??

Thank you Father as we come before your holy throne with thanksgiving and praise. We pray your Holy Name. WE thank you for this gathering, for what you are doing within us and for the power of your Ekklesia.

What Lee said, there is going to be a piling on of people in Michigan. And God is laughing. We are going to have a victory. I know what's in us, the power we have. It looks scary, but like Pastor Lee said, we are going to have the victory and it's actually going to be fun for those who know what's going on. We're going to enjoy it trampling the head of the snake.

I started praying for revival for several years. 1989 through prophecies, something was going to happen, the Lord took me in the spirit and it lasted nine months. Christmas Day 1989. The Lord was showing me a huge revival that was going to happen in nine months. And He said economic warfare

Over the last 32 years I saw the promises He has for all of us, and that's what kept me going. I was so filled with what was in me and I shared it with a few people pastors and a few others; I didn't understand it. After two months, And the Lord said that was for you not for everybody else. I kept my mouth shut about it for 30 years. Then two years ago the Lord said released me to share with my sister, brother, his wife, and...

It was a promise. The Lord showed me a promise, not IF my people do this...because it was a promise that He had showed me in the future. What He showed me was this is a promise "This is going to happen."

One of the profound things...I was driving home from FL. I took off from Tampa, I said Lord just get me home before New Year's eve so I can be with my family. I take off from Tampa and I have to be home in 18-19 hours to be with my family. The road was precarious. It was icy wet. I'm going 90 and up to 100 on I-75. Going through Atlanta another car, a red corvette,

connected w me. In the median was a State Cop. He saw me flying, turns on his lights, turns them back off and doesn't budge. God started laughing, a belly laugh. I'm feeling God laughing in me, and He says, I'm going to come through so fast that the spiritual police will not be able to stop me.

That means we're going to have a tough road to travel. That car - it never wavered, it was steady, it was like a dry road. And I'm flying. It's going to be precarious but His promise is going to happen.

PATTI MORRIS

I'm going to share three things that I've heard in the last month for THIS group of people.

Number 1. Unity. The Lord has brought this group of people together for unity sake. Psalm 133 There is an anointing and a blessing on the unity that flows and it's a priesthood anointing. So we need to flow in unity, that means we do not become critical, judgmental or jealous of one another. Each one of us, God has assigned and assignment to us, but we're joined together just as an army troop, a group of military, we have been joined and been given an assignment together. But separately the Lord has also given us that assignment.

Number 2. The kingdom of God trumps the kingdoms of the world. And the government of the kingdom of God is the priesthood. It is the priesthood and we have all been given that authority in the kingdom of God in the spirit, to declare, to bind, and to loose. These are the keys of the kingdom of God.

Number 3. Why in the heck was the World Economic Forum sent to Michigan. Why was it? We have to ask questions. I'm thinking to myself, these are not little gods you guys. These are the giants of the land. These are world powers that have been sent into our state. Why? I've got to tell you. I've been with this man [Rick] since 2006, actually since 1999, but in 2006 when Transformation Michigan was raised up. In Michigan we have the most organized prayer system in the United States. And it's no brag; just fact and it's grace upon what God is wanting to do.

I'm thinking to myself, and I've heard different things, but it doesn't necessarily have to be waterway or any of that stuff. I think there is a threat in the spirit that we are to the enemy in this state.

I'm thinking, God are we such a threat in the spirit that we are seeing played out Psalms 2, Why do the nations rage, and their kings flock together against the Lord and His anointed ones. They say, Let us break off their restraints. We ARE the restraining force of the kingdom of God. They are being restrained because we declare it to be so in the kingdom. The Lord has given us those keys.

So what I'm seeing is a bunch of grey-haired people, including myself, but remember, Joshua and Caleb were given the anointing and command to take the ground. And they did. And they won. So I'm saying to you it doesn't matter how old you are, I'm saying...but God is wanting to

raise up warriors that are bad-ass people. And you are going to kick some devil butt, but not just kick it. You are going to take them down in the name of Jesus.

There is something called squatter's rights. And when the squatter comes in and takes the land for seven years, if the person who owns that land does not stop or try to evict them they legally can stay in that land forever. It's what the WEF, they are squatters in the state of Michigan. This state belongs to us. So we have the right to evict this spirit in our state and say, You do not belong here, and guess what? By the authority that Jesus has given to us and His kingdom keys we exercise His authority. The Kingdom trumps the demonic authority.

The Kingdom of God trumps the world economic system. And I don't care. As long as we have breath, as long as Jesus has not taken us home to glory, we have that right and that commission to take the ground.

Another thing is, to invoke the judgments that were put upon the people, where it says in Psalms 149. I looked it up in Deuteronomy 22 and it says, "I want you to go into the land and you are to evict the Hittites, the Parasites! And no co-habitation with them in this state.

This is the commission of this state and this is what we will do in Jesus' name.

RICK: Whitmer, Benson and Nessel have been squatting so they will be taken out. Tip of the spear. ??? with arrows and go home.

God is not easily offended. That spirit that came upon me Christmas day on I-75 I didn't realize what I was carrying. It was a powerful anointing, and I carried to I-75 until I got to I-75 and 11 Mile where 696 is and I went down 696 to get home. The Lord was speaking. I felt the mantle, that this road could lift. I was carrying something into Michigan. That was an anointing for Michigan. Michigan is the spearhead. I've been waiting for this for over 30 years. Hallelujah!

He said something, ss soon as the mantle is lifted – the road – whatever you call it, He said, not by might, not by power, but by my spirit. He said, By my love.

Words written at the gathering:

AMY SCHEIDEL

Fellowship, seed the Lord and stand in His strength, power and might. Amen. Faith driven unshakable vessels in this hour. Look to Me My children for I will give you the strength and the strategy for an expected successful end. Pray without ceasing. The battle may be long, but the victory shall be great. To the Almighty God be the glory!!!

Luke 12 to continue across Michigan and the globe. Michigan governmental leaders shall reap what they sow and they have been reaping tares. They have failed to destroy the Body of Christ.

We shall be, in this state of Michigan and in this nation, under God's rule. We remain a part of His covenant. Righteousness, law and order, love and fellowship shall reignite and remain.

UNKNOWN (no name on the word)

Yes, go forward, take new ground, take Me your Lord with you in every area.

Spend more time with me as I send you out. Take my power, my love to all parts of your world as I expand your world to the political realm.

Much care must be given to your dependence on me.

Fortify your lives. Be strong building your foundation of prayer, fasting, and fellowship with me and others in your tribe.

I saw oil anointing poured on the people

Total Faith - what does it really mean to have this level of Faith during the times that are coming?

Fire Burning down the old buildings and as it burns the new sturdy building is being revealed and as we see this fear is defeated in the loss of the old - Peace in the New.

The food here looks right but taste like dirt. Open our eyes and see what's really being served. I saw as things are being exposed it is like the building or the church is being divided in half. The real and the fake like Disneyland.

I see an old fashion store front that brings us that feeling of wanting to go in and explore our past when times were more simple, but when we enter it has been transformed in a beautiful courtyard and worship area that our eyes have never seen before. We breath in the Bright Beautiful Light and it is so remarkable as it is coming right from Heaven.

Declaration is that Michigan will once again be a save, bright, beautiful place to raise a family. Sunny and bold for the Lord.

Is our Faith in the Prophets that have gotten it wrong so far or within us as we get the revelations right from the Holy Spirit? God's question for the body.

2023 is for God and Me
